Overall Length:

6.162 feet

Diameter:

0.250 inches rope

End Application:

4110-01-534-7675 mircs

Core Construction:

Wire

Product Name:

Cable assembly, generator support right side

Material:

Stainless steel

Material Specification:

Aisi304 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
