Diameter:

3.9 millimeters rope

End Application:

6115-01-561-7455 generator set, diesel engine

Product Name:

Wire, stranded 12 awg

Special Features:

Material: conductor stranded tinned copper and insulation polyolefin

Material:

Plastic outer covering

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
