Overall Length:

25.000 feet

Diameter:

0.313 inches rope

End Application:

3510-01-463-0114; winch

Attachment Style:

Slip hook first end

End Type:

Terminal attachment first end

Core Construction:

Independent wire rope

Prefabrication Form:

Preformed

Product Name:

Cable assembly, winch

Material:

Steel wire rope

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
