Diameter:

0.339 inches strand

End Application:

6115-01-561-7455 generator set, diesel engine

Product Name:

Strand, wire, awg size 6

Special Features:

Polyolefin insulation and tinned copper conductor with insulation diameter 0.065 inch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
