End Application:

2355-01-567-4930

Attachment Style:

Wire rope shackle first end

End Type:

Terminal attachment second end

Core Construction:

Independent wire rope

Product Name:

Cable assembly, primary release

Special Features:

Wire rope has neoprene tubing; see drawing for details

Material:

Plastic wire rope

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
