Overall Length:

140.000 feet

Diameter:

0.4375 inches rope

End Application:

Hoist assembly, 6

Product Name:

Wire rope, hoist

Special Features:

6x37 iwrc type 1 class 3; uncoated improved plow steel

Material:

Steel

Material Specification:

Rr-2-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
