Overall Length:

6.0 feet

Diameter:

0.62 inches rope

Attachment Style:

Ring both ends

End Type:

Loop both ends

Breaking Strength:

270.0 pounds

Core Construction:

Independent wire rope

Prefabrication Form:

Preformed

End Conditioning Method:

Shear cut

Product Name:

Cable assembly

Special Features:

High strength stranded wire cable with a green nylon

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
