Diameter:

0.375 inches stock

Lay Method:

Right regular all layers

Breaking Strength:

15000.0 pounds

Core Construction:

Independent wire rope

Prefabrication Form:

Preformed

Product Name:

Wire rope

Special Features:

Characteristics of standard 6 x 36 class ropes

Material:

Steel wire rope

Style Designator:

6 x 36 (7 fw)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
