**Diameter:**

0.375 inches stock

**Lay Method:**

Right regular all layers

**Breaking Strength:**

15000.0 pounds

**Core Construction:**

Independent wire rope

**Prefabrication Form:**

Preformed

**Product Name:**

Wire rope

**Special Features:**

Characteristics of standard 6 x 36 class ropes

**Material:**

Steel wire rope

**Style Designator:**

6 x 36 (7 fw)

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A082a0
