Overall Length:

4.0 feet

Diameter:

0.0625 inches rope

Lay Method:

Right lang all layers

End Type:

Loop wire rope

Breaking Strength:

480.0 pounds

Core Construction:

Wire

End Conditioning Method:

Welded

Material:

Stainless steel wire rope

Material Specification:

Mil-w-86420 military standard 3rd material response wire rope

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0

Mil-std (military Standard):

Mil-w-86420 spec.
