**Overall Length:**

4.0 feet

**Diameter:**

0.0625 inches rope

**Lay Method:**

Right lang all layers

**End Type:**

Loop wire rope

**Breaking Strength:**

480.0 pounds

**Core Construction:**

Wire

**End Conditioning Method:**

Welded

**Material:**

Stainless steel wire rope

**Material Specification:**

Mil-w-86420 military standard 3rd material response wire rope

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A082a0

**Mil-std (military Standard):**

Mil-w-86420 spec.
