Overall Length:

0.5 feet

Diameter:

0.200 inches stock

End Application:

NSN4-94-001-6011

Safe Operating Load Rating:

1200.0 pounds

Product Name:

Expandable assembly chain

Special Features:

Made from six links of p/n 11b5190789, nsn 40100162166183

Material:

Stainless steel

Style Designator:

Long link

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A082a0
