Overall Length:

84.0 meters

Safe Operating Load Rating:

2.13 pounds

Product Name:

Transport chain

Special Features:

Grade 7; not for overhead lifting; supplied in 1/2 drum with lid and handle

Material:

Steel chain

Material Specification:

High tensile carbon steel mfr ref single material response chain

Surface Treatment:

Dichromate 9th intermediate attachment

Surface Treatment Specification:

Yellow dichro mfr ref single treatment response chain

Style Designator:

Close link

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A082a0
