Overall Width:

0.050 inches

Thickness:

0.012 inches

Length:

250.000 yards

Coating Material:

Polyamide nylon

Breaking Strength:

15.0 pounds

Material And Location:

Polyamide nylon, mil-t-43435, type 1

Issue Form:

Spool

Color:

Natural

Specification Or Standard:

1 type and nylon finish and 5 size

Departure From Cited Designator:

As modified by coating material and length

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15300
