Fabrication Method:

Braided

Length:

1.167 feet

Attachment Method:

Ring

Overall Diameter:

0.062 inches

End Application:

Kok-13

Material And Location:

Polyamide nylon, mil-c-5040

Product Name:

Screw assembly, ground

Color:

Natural

Test Data Document:

98230-0n385911 standard (includes industry or association standards, individual manufactureer standards, etc.).

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15300
