Coating Material:

Plastic, polypropylene

Environmental Protection:

Light resistant and mildew resistant and water repellent

End Application:

Assult hoseline system (ahs)

Breaking Strength:

2430.0 pounds

Issue Form:

Reel

Strand Quantity:

3

Special Features:

Item comes on a 600ft reel

Color:

Yellow and black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A15300
