Fabrication Method:

Braided

Length:

4.800 feet

Attachment Method:

Hook

Overall Diameter:

0.406 inches

End Application:

8140-01-544-3970

Material And Location:

Rubber, synthetic core err-100 err-100 and nylon outer covering err-100 err-100

Product Name:

Fabric-covered elastic tie-down cord

Special Features:

Max stretched lgt is 7 ft (84 inch); hook ends are type 304 stainless steel w/0.875 inch inside dia

Color:

White and black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15300
