Fabrication Method:

Braided

Length:

210.000 inches

Environmental Protection:

Mildew resistant

End Application:

C-17 acft

Assembly Material And Location:

Cotton rope

Circumference:

0.750 inches

Product Name:

Emergency escape rope

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15300
