Overall Diameter:

10.2 millimeters

End Application:

Army mountain kit

Material And Location:

Nylon

Product Name:

10.2mm diameter, nylon, dynamic kernmantle rope, type iii, size ii. Impact force 9.5 kn. Static elongation 5 percent. Double dry treatment

Special Features:

Color: army digi-camouflage

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A15300
