Fabrication Method:

Braided

Attachment Method:

Loop

End Application:

Kit, conversion mk 197 mod 0

Material And Location:

Plastic, nylon

Product Name:

Safety knob assembly

Special Features:

Loop size to be adjusted in order that knob, safety is free to rotate but cannot be withdrawn from the loop

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15300
