Features Provided:

Inward safety throat closure

Safe Operating Load Rating:

8400.000 pounds

Material:

Steel

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416, type 1 federal specification single treatment response

Style Designator:

Regular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
