Fabrication Method:

Drop forged

End Application:

Nsn 2330-01-303-8832 chetl semitrailer

Connection Style:

Round eye

Connection To Body Relationship:

Parallel

Connection Inside Diameter:

0.500 inches

Criticality Code Justification:

Feat

Special Features:

Weapon system essential

Material:

Steel

Style Designator:

Open ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A105a0
