Connection Style:
Double swivel
Connection To Body Relationship:
Parallel
Material:
Steel
Material Specification:
Ams5643 military specification single material response
Surface Treatment:
Passivate
Surface Treatment Specification:
Mil-f-14072 military specification single treatment response
Style Designator:
Regular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A105a0
Mil-std (military Standard):
spec.
