Body Cross-sectional Shape:

Round

Point Shape:

Conical

Overall Length:

36.250 inches

Holding Method:

Drive cap

Material:

Steel comp m1020

Material Specification:

Astma575-81 assn standard all material responses

Surface Treatment:

Carbon

Surface Treatment Specification:

Astma575-81 assn standard all treatment responses

Specification Data:

81346-astm-a575-81 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A105a0
