Body Cross-sectional Shape:

Round

Point Shape:

Conical

Overall Length:

15.000 inches

Holding Method:

U-shaped end

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
