Inside Diameter:

0.472 inches

Diameter:

0.500 inches

Overall Length:

0.560 inches

End Application:

C17a acft

Accommodated Material Diameter:

0.312 inches

Product Name:

Sleeve

Material:

Aluminum alloy 6061

Material Specification:

Ww-t-700/6, t1 federal specification single material response

Style Designator:

Round tapered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A105a0
