End Application:

C-17a

Product Name:

Ring, hoist-spreader bar assembly

Material:

Steel

Surface Treatment:

Zinc

Surface Treatment Specification:

Astm-b-633 assn standard all treatment responses

Style Designator:

Antitoppling

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A105a0
