Inside Length:

0.844 inches

End Application:

5411-01-338-4769; shelter, nonexpandable

Upper Loop Inside Diameter:

0.313 inches

Lower Loop Inside Diameter:

0.313 inches

Material Diameter:

0.080 inches

Product Name:

Load-rated s-hooks

Special Features:

Work load limit: 16 lbs; not for overhead lifting

Material:

Steel

Surface Treatment:

Zinc and chromate

Style Designator:

Open ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
