Fabrication Method:

Forged

Features Provided:

Outward safety throat closure

Product Name:

Swivel hook

Special Features:

Positive locking hatch; self-locking when hook is loaded; forged alloy steel, quenched and tempered; rated for wire rope and grade 8 chain; rotates under load; fatigue rated

Material:

Steel

Style Designator:

Regular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
