Connection Style:

Swivel

Clear Opening Length:

31.8 millimeters

Connection To Body Relationship:

Parallel

Connection Inside Width:

63.5 millimeters

Special Features:

Working load limit 1 ton; safety latch; quic-check deformation indicator marks

Material:

Steel comp 1018

Style Designator:

Regular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
