End Application:

Gear, weapons loading emergency handling

Features Provided:

W/bolt

Criticality Code Justification:

Feat

Safe Operating Load Rating:

7000.000 pounds

Product Name:

Swivel hoist ring

Special Features:

Weapon system essential; shackel with swivel, swivel bolt 3/4-10x2.75 unc inch

Material:

Steel

Special Test Features:

Bolt specification grade 8, astm a574; working load 7000 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
