**End Application:**

Trunk, logistics plug

**Product Name:**

Heavy duty hoist ring-standard

**Special Features:**

Forged alloy steel with tensile strength of 180000psi; range of movement: pivot 180 degrees, swivel 360 degrees; safety factor

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A105a0
