Overall Width:

0.140 inches

Overall Length:

0.440 inches

End Application:

B-2 bomber

Accommodated Material Diameter:

0.0468 inches

Overall Height:

0.206 inches

Product Name:

Sleeve, swaging-wire rope

Material:

Copper alloy 102 or copper alloy 103 or copper alloy 122

Material Specification:

Astm-b75 assn standard single material response

Style Designator:

Figure 8

Specification Data:

96906-ms51844e government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
