Overall Length:

30.00 inches

Overall Height:

32.50 inches

Overall Width:

28.15 inches

Ambient Temp:

70.0 degrees fahrenheit

Condenser Cooling Type:

Water

Integral Storage Bin:

Included

Refrigeration Feature:

Included

Ice Capacity Per 24 Hour Period:

258.00 pounds

Product Name:

Undercounter ice kube machine

Special Features:

Simple 3-way switch for on/off/clean, front air intake and discharge, easy to remove, re-usable air filter to keep the condenser cleaner

Special Test Features:

Two ice sizes to choose from, cube and half cube

Supplementary Features:

Cube: 8.5g, half cube: 5.7g

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T235-b
