Overall Length:

24.000 inches

Overall Height:

13.000 inches

Overall Width:

19.000 inches

Coolant Type:

Water

Outside Shell Material:

Plastic

Err Default:

Err default

Capacity And Location:

0.008 cubic meters refrigerated storage

Product Name:

Multi-cool low temperature bath

Special Features:

Temperature range minus 80 degc to 100 degc; chamber dimensions 7.75 inches diameter and 9.0 inches depth; digital control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T235-a
