Overall Length:

14.000 inches

Overall Height:

30.500 inches

Overall Width:

22.000 inches

Product Name:

Ice cube machine

Phase:

Single

Special Features:

Ice production in 24 hours is 1000 lbs; voltage rating 115 or 230 volts; frequency rating 50 or 60; refrigerant r-404a; material stainless steel

Supplementary Features:

Project name manda bay

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T235-b
