Overall Length:

34.000 inches

Overall Height:

30.000 inches

Overall Width:

84.000 inches

Voltage In Volts And Current Type:

115.0 ac

Product Name:

Refrigerated counter for ships

Special Features:

404a refrigerant; auto defrost; hinge left or right side

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
