Mounting Type:

Floor

Power Source:

Electric motor

Special Features:

Horizontal, air cooled, self contained, environmental control unit (ecu), up to 49,000 btu/hr cooling per ecu, 10.0 kw of heat in one stage, 120/208 volts, 3 phase, 60 hertz, 5 wire including ground; unit is green color

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505g0
