Overall Length:

27.400 inches

Overall Height:

8.700 inches

Overall Width:

20.800 inches

End Application:

Truck mine protected vehicle

Usage Design:

Used for construction, mining and agricultural applications

Weight:

47.000 pounds

Cooling Capacity In Btu Per Hour:

33000.0

Heating Capacity In Btu Per Hour:

46000.0

Special Features:

Offers fresh air intake and can be pressureized; heating, 46,000 btu/hr at 150 degrees f; cooling, 33,000 btu's/hr with 36 degrees f; refrigerator temp and 80deg f wet bulb entering air; 12 volt 73r9202; 430 cfm air flow; one three-speed motor; 21.8 amp at 13.6 vdc; draw 10.9 amps draw at 27.2 vdc; 12volt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505g0
