End Application:

F24h4-2

Accessory Components And Quantity:

Remote control assembly box 1; heatingelement 4; contactor 2; circuit board 1; dc converter 1; rectifier 1; variable frequency 2; harmonic filter 1; txv valve 1; ac motor 1; refrigerator filter-drier2; compressor assembly 2; valve 1; assy switch 1; evaporator coils 1; evaporator motor 1; receiver assembly 2; schrader valve 2; pressure switch 4; relay 1; manifold and hoses 1; refrigerator recovery system 1

Product Name:

Ecu spare parts kit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
