Duct Type Air Cooling Coil - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4130-00-498-0218

Tube Material:
Copper
Coil Refrigerant Type For Which Designed:
Refrigerant r-12
Special Features:
Steel casing; brass, copper or corrision resisting steel ferrules; copper or brass headers
Specification Or Standard:
Df class and 48 size
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A509w0
Mil-std (military Standard):
Mil-c-2939 spec.
