**Special Features:**

9designed for freon 12 /dichlorodifluoromethane, technical/, tube data, copper, 200, 10 rows, staggered, 3/8 in.Od, fin data, copper, 120 per in., mechanically bonded to tubes followed by solder bond procedure cycle, supply and return connections are at same end, connection data, supply connection data, 2, male, 1-1/8 in.Od, return connection data, tube, 2, male, 1-5/8 in.Od, 4.52 sq ft.Not face area, not rated for surface area, o/a dim., 42-1/2 in.Lg, 20 in.W, 12-1/2 in.Thk, 500 lb rated hydrostatic test pressure; part no.C31203;

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A509w0
