Gas For Which Designed:

Refrigerant r-12

Special Features:

Internal relief valve set to discharge pressure at 300 psi differential; external type manifold; differential type oil switch pressure stops motor on reduced oil pressure

Special Test Features:

Tested at 500 psg hydraulic pressure and 300 psig air pressure

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A026a0
