**Casehardening Indicator:**

Casehardened

**Outside Diameter:**

Between 0.87200 inches and 0.87300 inches

**Body Length:**

3.2250 inches

**Metallic Hardness Rating:**

44.0 rockwell c

**Material:**

Steel, ams 5643

**Material:**

Steel comp 630

**Material Specification:**

Ams 5643 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A09500
