Casehardening Indicator:

Casehardened

Outside Diameter:

Between 0.87200 inches and 0.87300 inches

Body Length:

3.2250 inches

Metallic Hardness Rating:

44.0 rockwell c

Material:

Steel, ams 5643

Material:

Steel comp 630

Material Specification:

Ams 5643 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09500
