Overall Width:

255.0 millimeters

Body Thickness:

30.0 millimeters

Bodylength:

255.0 millimeters

Product Name:

Outlet filter

Special Features:

For ventilation by convection; noryl material resistant to ul 94.V0

Fsc Application Data:

Upper and lower sections of enclosure

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
