Body Height:

4.000 inches

End Application:

Liquid to liquid cooling unit model no. 54500

Product Name:

Housing, particulate filter

Special Features:

Piping assembly (91161) 55855, ehf satcom electronic cooling water skid

Style Designator:

High pressure bolted shell

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
