**Overall Width:**

9.500 inches

**Body Thickness:**

0.500 inches

**End Application:**

Sparwar-5 load bank

**Design Type:**

Reusable

**Bodylength:**

3.500 inches

**Filtering Media Design:**

Porous single filtering media response

**Product Name:**

Air filter

**Special Features:**

65 pore element; two required per installation

**Material:**

Plastic polyurethane filtering medium

**Style Designator:**

Rectangular (incl square)

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A24000
