Air Filter Regutator - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4130-01-564-7815

Overall Height:
6.290 inches
Overall Width:
1.630 inches
End Application:
Dynamic balancer he-850
Pressure Rating:
250.0 pounds per square inch
Special Features:
Regulating range 5-100 psi; filtering 5 microns with polypropylene element.
Material:
Zinc and plastic
Thread Size And Series/type Designator:
Npt female 0
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
