Overall Height:

6.290 inches

Overall Width:

1.630 inches

End Application:

Dynamic balancer he-850

Pressure Rating:

250.0 pounds per square inch

Special Features:

Regulating range 5-100 psi; filtering 5 microns with polypropylene element.

Material:

Zinc and plastic

Thread Size And Series/type Designator:

Npt female 0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
